

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF SHELBY RURAL)	
ELECTRIC COOPERATIVE CORPORATION)	
FOR AN ADJUSTMENT TO ITS RETAIL)	CASE NO. 94-395
ELECTRIC POWER TARIFFS)	

O R D E R

Shelby Rural Electric Cooperative Corporation ("Shelby") initiated this case to pass to its customers a decrease in power costs proposed by its wholesale power supplier, East Kentucky Power Cooperative, Inc. ("East Kentucky"). On July 26, 1995, the Commission approved changes in Shelby's retail rates designed to reflect an annual wholesale power cost decrease from East Kentucky of \$1,184,417.

The Commission has now concluded the rehearing phase of the East Kentucky rate case and has determined that its rates should be decreased further. This will result in an additional wholesale power cost decrease for Shelby of \$104,918, for an overall decrease of \$1,289,335. Accordingly, Shelby's retail rates have been reduced, as set forth in Appendix A of this Order, to pass this further reduction of \$104,918 to its customers effective with service rendered on and after March 1, 1996.

IT IS THEREFORE ORDERED that:

1. The rates in Appendix A, attached hereto and incorporated herein, are approved for service rendered on and after March 1, 1996.

2. Within 20 days of the date of this Order, Shelby shall file with the Commission revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky this 28th day of February, 1996.
